GERMANS PRESS ON FROM SOUTH; TAKE STANISLAU

Foe Back to Defences on Dniester.

RUSSIANS HOLD THEIR OWN ON LOWER SAN

Northern Part of Long Gali-

London, June 9.- The Galician town London, June 9.—The Galician town of Stanislau, seventy-five miles southeast of Lemberg, the Galician capital, has been captured by the Austrians, according to official statements issued by the German and Austrian army the German and Austrian army the Galician town the Galician capital, according to the German and Austrian army the German and Austrian army the Galician town the German and Austrian army the Galician town the Galician capital, th by the German and Austrian army headquarters to-day. The capture of Stanislau shows that the offensive against the Russians left has been successful and that the Russians have been compelled to fall back to their defences on the Dniester. In Eastern Galicia along the rest of the line, which follows the upper Dniester and thence eastward from Premysl to the lower San, the Russians appear to be holding their own and are counter attacking.

A dispatch from the Austrian press headquarters to Cologne says that the Russian sumy in Bukowina, the Russian forces in middle Galicia and is being pressed eastward. Stanislau lies on the line between Lemberg, still held by the Russians, and Czernowitz, capital of Bukowina.

Counter Attacks Checked.

Lunofficial dispatches reaching Geneva from the eastern front say the Russian advance on the Dneister River, inflicting reaching the same halted the Austro-German advance on the Dneister River, inflicting reach losses, while to the north they are steadily drawing nearer the Vistula, possibly involving a retreat by General von Mackensen along his whole line. These reports are not horne out, however, by official communications from Petrograd or Vienna.

The Berlin official statement issued to-day says:

"East of Premysl the situation remains unchanged. To the northest of day says:

"East of Premysl the situation remains unchanged. To the northest of the Russian counter-attack to a standstill. Further to the south fighting is in progress for posticity of the restriction of the south fighting is in progress for posticity of the restriction of the south fighting is in progress for posticity and the south fighting is in progress for posticity and the south fighting is in progress for posticity and the south fighting is in progress for posticity and the south fighting is in progress for posticity and the south fighting is in progress for posticity and the south fighting is in progress for posticity and the south fighting is in progress for posticity and the south fighting is in progress

The Berlin official statement issued to-day says:

"East of Przemysl the situation remains unchanged. To the northeast of Zurawno troops under General Linsingen brought the Russian counterattack to a standstill. Further to the south fighting is in progress for possession of the hills to the east of Kalusz and west of Jezupel.

"Stanislau already is in our possession. We took 4,500 prisoners and captured thirteen machine guns."

Following is the official communication issued from Vienna:

"South of the Dniester the Russians have again lost ground. After many victorious engagements the Allies yesterday reached, to the north of Kolomea, the Kulaczkowce-Korzow line, and occupied the heights of Otynia. In the evening they occupied Stanislau and made a further advance toward Halicz. The day's captures amounted to 5,570 prisoners."

The Petrograd official statement, received the evening the voccupied stanislau and made a further advance toward Halicz. The day's captures amounted to 5,570 prisoners."

ZEPPELIN CONQUEROR DESCRIBES HIS EXPLOIT

Warneford Tells of His Sensations While Whirling
Through Space Upside Down, After Giant Airship's Explosion Had Overturned His Machine.

(By Cably to The Tribune 1)
Northern France, June 9 (Dispatch to London Daily News.).—A member of the staff of "Le Telegramme" had the good fortune yesterday to meet Lieutenant Warneford after his returnsafe and sound from his splendid hawking of the giant Zeppelins in the air between Ghent and Bruges. They had a little talk, but Warneford was been greated to have been received. They warneford was been greated to have been greated at a tornado about me so great that a tornado about filteen me're and the eccupation of Amara show that as the result of an action on May 31 and June 7 the enemy's force which had been threatening Kurnah for some time legal action on May 31 and June 7 the enemy's force which had been threatening Kurnah for some time legal action on May 31 and June 7 the enemy's force which had been threatening Kurnah for some time legal action on May 31 and June 7 the enemy's force which had been threatening Kurnah for some time Warneford Tells of His Sensations While Whirling

declared just happened to come his way in "the fortunes of war."

"A most charming young gentleman, this sous-lieutenant Warneford," says the journal, in its brief pen picture of the hero. "He was most prudently reserved and spoke as men of action speak, with no wealth of words."

Warneford said that three of them—Lieutenant J. P. Wilson, J. Mills et votre seritour—set off the night before on an air reconnaissance. They started in the dark, with only their compasses to guide them. At about 3:30 o'clock in the morning they found themselven in the vicinity north of Brussels. Coming down a little lower, they were able to distinguish the big Zeppelin hangar at Evere.

Let Fly Bombs on Hangar.

and my ammunition for further adventures.

"I proceeded on my journey at an increased height. It was just 3 o'clock in the morning when all of a sudden I perceived on the horizon, about mid-way between Ghent and Brussels, a Zeppelin flying fast at a height of

metres and sound from his splendid hawking of the giant Zeppelins in the air between Ghent and Bruges. They had a little talk, but Warneford was delightfully modest and didn't want to say much about his exploit, which he declared just happened to come his way in "the fortunes of war."
